Day Tripping January 2024

January will take us to an annual event in Stroudsburg, the 6th annual Snowmen of Stroudsburg event. The event this year started in November and continues until February 24th. The Snowmen of Stroudsburg is a display of life-size snowmen, painted by local artists, placed throughout Stroudsburg Borough. The Snowmen relocate themselves every few weeks. There is a map of where snowmen are located, but remember it says they move around, so you could go several times and the snowmen will be in different places. These snowmen have been hand painted by local artists. Every year they add some new snowmen, and this year they added 10 new ones.

They have several related activities. 1. You can vote for your favorite snowman by an online form. 2. December 1st started a Holiday Ornament Scavenger Hunt. This involves going to local shop windows and find the large ornaments that have artists name and numbers posted next to them. You put the numbers into a puzzle to decipher a holiday phrase. Your answer sheet can be completed on line and there will be a drawing at the end of each month for a winner of a $50.00 visa gift card. There are still drawings in December, January, and February to be held. 3. There are available 50 trading cards with a picture of the snowmen on one side and some interesting information on the back.

You can find all of the forms for the activities and a map that shows where the snowmen are located at https://gocollaborativestbg.com/snowmenofstroudsburg/

So pack up the family and head to Stroudsburg for a fun time of checking out the snowmen.
